Terms of Use:

I love to make work to share with parents and teachers! However, please keep in mind that I need you to come directly to my site **keys2montessori.com** to access them. There are considerable costs related to creating and sharing printables online: website hosting, computer programs, the purchase of commercial use clip art, and more.

You are welcome to...

- download my printables by visiting my site **keys2montessori.com**
- save my printables to your computer.
- print as many copies as you'd like to use in your classroom or home school.
- share the link to my blog site where a printable can be found.
- post online about a printable (for example—take a picture of your child or student using it), giving proper credit to **keys 2 montessori**.

You may not...

- download my printables from any site other than my blog site
- link directly to the pdf files. Instead, link to where the pdf is located.
- claim my files as your own.
- alter my electronic files.
- sell or in any way profit from my electronic files.
- print my files and then sell the printed copies to others.

- store or distribute my files on any other website or another location where others are able to electronically retrieve them (for example: Dropbox, 4Shared, Mediafire, Facebook groups and forums, etc.).
- e-mail my files to anyone or transmit them in any other fashion.

More legal stuff...

- **My files are for personal or classroom use only.** By using them, you agree that you will not copy or reproduce the files except for your own personal, non-commercial use.
- **Images.** All images are realistic photos from Flickr and are for commercial use.
- **Modification of terms.** I have the right to modify the terms of this Agreement at any time; the modification will be effective immediately and shall replace all prior Agreements.

Enjoy!
